

*Complete Streets Policies for Birmingham Area
Long Range Transportation Plan
&
Transportation Improvement Program*

**Friday November 21, 2008
Birmingham-Jefferson County Transit Authority
Public Meeting Room (2nd Floor)
1735 Morris Avenue
Birmingham, AL 35203**

Purpose:

The Regional Planning Commission of Greater Birmingham (RPCGB) is currently updating and drafting new policies for the Birmingham MPO's Long Range Transportation Plan (LRTP) and short-range Transportation Improvement Program (TIP). This effort includes developing "complete streets" policies that ensure roadway improvements in Jefferson and Shelby Counties are routinely planned, designed and operated to enable safe and efficient mobility for pedestrians, cyclists, transit riders, citizens with disabilities and motorists. This forum ensures stakeholder input guides the development of complete streets policies.

Agenda

- 9:00 – 9:30 a.m.** *Introduction to Complete Streets – Planning & Design Policies*
Tom Maxwell – Regional Planning Commission of Greater Birmingham
